Bramson ORT College
69-30 Austin Street
Forest Hills, NY 11375-4239

Dear Dr. Kanani:

This letter confirms receipt of your email of January 16, 2017, informing the New York State Education Department of the decision of the Board of Trustees of Bramson ORT College, not to appeal the January 10, 2017, determination by the New York State Board of Regents, denying accreditation to Bramson ORT College.

As the institution chose not to file an appeal pursuant to §4-1.5(a)(11) of the Rules of the Board of Regents, the January 10, 2017, determination of adverse accreditation action by the New York State Board of Regents, is the final determination concerning accreditation for Bramson ORT College.

Sincerely,

Leslie E. Templeman
Director
Office of College & University Evaluation
